Membership Fee Schedule (effective May 1, 2005)

Memberships are available to anyone, however; for the sake of clarity I am posting a guideline and explanation of terminology.

***Individual & Family Memberships** should be for local residents that are able to attend meetings, offer on-site, volunteer help, and will be allowed to vote. You will receive a certificate the first year you join.

If you are out-of-area and cannot attend meetings, we suggest you "**donate**" whatever amount you like. It will be considered a donation, not a membership. No certificate will be issued, no voting privileges. Donations and memberships are how we maintain the building, pay for appropriate archiving materials and pay operating expenses. The organization is all-volunteer. The TAHS is very appreciative of any and all donations and memberships.

Annual Dues:

*Single = \$10.00

*Family = \$15.00

Business = \$50.00 (we will provide a link to your business web page or create one on our site)

Sponsor - \$10.00

Patron - \$25.00

Life-time memberships for a one time fee of \$50.00 per person will be available to anyone age 55 or over.
